Subject: We found your D&B D-U-N-S Number

Congratulations! You have a D&B D-U-N-S® Number!

We searched our records and found you.

Your D&B D-U-N-S Number is **093282268**.

**Your D-U-N-S Number can help you create valuable business
partnerships.**

- Obtaining a D-U-N-S Number can give potential lenders and partners a simple and reliable way to learn about your company.
- A D-U-N-S Number is recognized as an industry-standard identification tool by more than 50 global industry and trade associations.
- The D-U-N-S Number is used to establish a D&B® business credit file, which is often referenced by vendors and potential business partners to help them make decisions about your company.

If you need help with your D&B business credit file, call **1-800-234-DUNS**, or for your convenience you can [submit a service ticket online](#).

Sincerely,
Dun & Bradstreet
